ROSES 1958 ALL AMERICAN

Our Famous California Rose along the Driveway at California Flowerland, covered with big coppery blooms until mid-winter.

- California.** (Pat. No. 449.) Each massive bush produces hundreds of big, coppery orange roses each season. Buds are vivid orange, foliage bronze green. Most outstanding of orange-toned roses, particularly fine in coastal areas where it blooms until Christmas. **\$1.75**
- Climbing California** each **\$2.00**
- California Tree Roses** each **\$5.50**

GRANDIFLORA ROSES

This new class of roses combines the beauty, size and lasting qualities of Hybrid Tea roses with the freedom of bloom and hardness of the Floribundas. Plants are tall growing, 3½ to 5 feet high, with exceptional vigor and as a rule, heavy, disease-resistant foliage. All have great value as landscape shrubs, in mass planting, for hedges, and produce great quantities of lovely blossoms for cutting.

- Buccaneer.** (Pat. No. 1119.) Brilliant, unfading yellow buds, and cup-shaped flowers of about 30 petals, fragrant and long lasting; blooms constantly **\$2.50**
- Carrousel.** (Pat. No. 1066.) One of the very best, with masses of velvety dark red roses, singly or in sprays, with long keeping qualities. **\$2.00**
- Montezuma.** (Pat. No. 1383.) A vivid new Grandiflora, with a profusion of beautiful shapely buds and large double roses of rich scarlet orange. Vigorous, bushy, thrives everywhere and blooms constantly. **\$2.75**
- Queen Elizabeth — AARS-1955.** (Pat. No. 1259.) The exquisite buds and blooms of soft carmine rose blended with down pink, are heavy petalled, delightfully fragrant, and are borne singly and in clusters on long, nearly thornless stems. A wonderful garden rose, equally fine as a cut flower. **\$2.50**

DORMANT ROSES

BUSH, CLIMBING AND TREE ROSES are available dormant, bare-root, from January to March 15. Early planting is most desirable. The price listed for each variety is for **bare-root Roses**. Free delivery in Southern California, of orders for bush and climbing roses, for **\$5.00** or more. All others, please add 50c to each order to partially cover packing costs.

California orders please add 4% sales tax.

DISCOUNT ON QUANTITY

Orders for 3 or more of one variety, or 10 or more assorted varieties, bare-root, deduct 10%. There is a 10% discount on orders for 10 or more Tree Roses, one kind or assorted, bare-root or in containers.

PAUL J. HOWARD

Best for Southern California

Audie Murphy. (P.A.F.) A showy new rose of great beauty. Very long pointed buds and heavy petalled blooms of vivid currant red to cherry red, spicily fragrant, are produced singly or several to a stem, fine for cutting. Tall vigorous bush with dark bronze green foliage blooms constantly. . . . **\$2.75**

Capistrano — AARS-1950. (Pat. No. 922.) Long stemmed buds and big blooms of glowing rose pink that does not fade or change, delightfully fragrant. Blooms constantly **\$2.00**

Charlotte Armstrong — AARS-1941. (Pat. No. 455.) Long carmine red buds open to big salmon-cerise roses of about 30 petals, on long stems. Plant grows tall and vigorous, with dark leathery leaves, nearly always in bloom. The brilliant color, fine form and fragrance make this rose one of the best. **\$2.25**

Christopher Stone. Velvety scarlet-crimson roses with damask fragrance, 30 petalled; fine bushy plant; good bloomer. **\$1.50**

Chrysler Imperial — AARS-1953. (Pat. No. 1167.) Long tapering buds of velvety maroon unfurl to beautiful high centered roses on stems of medium length. The open flowers are vivid crimson red, 4½ to 5 inches across, with 40 to 50 petals, long lasting. Bush is of medium height, compact and symmetrical, with healthy, dark green foliage. **\$2.50**

Etoile De Hollande. Dark red buds and glowing crimson blooms of delightful fragrance. Vigorous bush of medium size, fine foliage. **\$1.50**

Fort Knox. (Pat. Applied For.) A fine new Howard Rose with golden yellow double flowers of rich, heavy texture, non-fading and distinct fragrance. The strong upright plants grow 3 to 4 feet high, bloom freely and are covered with luxurious copper green foliage. **\$2.25**

Forty-Niner — AARS-1949. (Pat. No. 792.) Brilliant and showy, the outside of the petals chrome yellow, inside oriental to cherry red, of lovely form and fragrance. Vigorous plant with handsome foliage and few thorns. . . . **\$2.25**

Frau Karl Druschki. Still one of the best white roses, with long pointed buds and waxy white blooms. Strong tall bush, thrives in all sections. . . **\$1.50**

Fred Edmunds — AARS-1944. (Pat. No. 731.) Burnt orange buds, very large cup-shaped roses with 25 to 30 petals, vivid coppery orange, intensely fragrant. Bush is of medium height, heavy shiny foliage. **\$2.00**

Fred Howard — AARS-1952. (Pat. No. 1006.) The last rose developed by the late Fred Howard, and named for him. Long yellow buds, pencilled pink, open to large graceful blooms, with 50 to 60 petals, deep yellow suffused with pink at edges; deeper in tone in cool weather, and richly fragrant. The tall, rugged bushes, with lustrous deep green foliage, bloom freely until late fall. **\$2.00**

Grande Duchesse Charlotte. (Pat. No. 774.) Long stemmed buds and double roses of rich Morocco red, changing to coral, with fruity fragrance; tall, vigorous bush. **\$2.00**

Heart's Desire — AARS-1940. (Pat. No. 501.) The rich deep red, non-fading, and true rose fragrance of this beautiful rose is not surpassed by any of the newer roses. Vigorous tall bush with luxuriant deep green foliage. . . . **\$1.75**

Helen Traubel — AARS-1952. (Pat. No. 1028.) This beautiful pink rose varies in tone from soft pink to luminous apricot and rose. The long pointed buds and big, broad-petalled roses are long lasting, richly fragrant. Plants are vigorous, with heavy deep green foliage, and bloom freely. **\$2.75**

ESTABLISHED ROSES

For planting throughout the year, and when dormant roses are not available, we grow large showy bushes, in specially prepared soil, in 5-gallon tins. These superior big roses may be selected and planted out while in full bloom. Because of weight and bulk, these established roses are practical only for local truck delivery, or "Cash and Carry."

You can figure prices of Established Roses as follows:

BUSH ROSES established in 5-gallon tins, **\$1.00** more than bare-root prices.

CLIMBING ROSES established and staked, each **\$4.50**

TREE ROSES in 5-gallon tins, staked, **\$5.95.**

Please add 4% Sales Tax to all Orders for California Delivery.

D'S BUSH ROSES

land Gardens

Henry Ford. (Pat. No. 1218.) This new Howard rose, the result of a cross between The Doctor and Pink Dawn, has long spiral buds and beautiful double, broad-petalled blooms of clear peach pink, intensely fragrant. The rugged bushes are free flowering, with heavy foliage. We consider this one of the finest pink roses. **\$2.25**

Isobel Harkness. (P.A.F.) An exciting new rose from England, with long tapering buds of deep yellow unfurl to large open roses of clear, unfading yellow. Bush is vigorous, well branched, with plenty of healthy dark green foliage. **\$3.00**

Las Vegas. (P.A.F.) Huge double, high-centered roses of warm salmon pink with golden sheen at base of petals, like the glow of a desert sunrise. The long-pointed buds and graceful blooms are produced on exceptionally long stems. Tall vigorous, well-branched plants with dark green foliage. **\$2.50**

Lowell Thomas — AARS-1944. (Pat. No. 595.) Tightly furled golden yellow buds, large graceful canary yellow blooms with tea fragrance; plant thrives everywhere. **\$2.25**

Mme. Henri Guillot. (Pat. No. 664.) One of the most richly colored roses; long buds and large open fragrant flowers of reddish orange to raspberry rose, on long strong stems. Big bushy plant with handsome foliage. **\$1.75**

Mojave — AARS-1954. (Pat. No. 1176.) The most brilliant orange colored rose yet introduced — glowing orange with tones of flame scarlet and vermilion, like a desert sunset. Long stemmed buds open to large, broad-petalled roses of pleasing fragrance. Bush is tall, vigorous. **\$2.75**

Olive Percival. (Pat. No. 944.) The National Teachers' Association has named Olive Percival as its own rose, and it was planted in the Rose Garden at the White House. Olive Percival is one of the most colorful and graceful of all roses for arrangements, and just as showy in the garden. Exquisite long buds of vivid cherry red, lovely semi-double flowers with thick petals, on long stems, are ideal for cutting. Vigorous, bushy plants are perfect for massing and for hedges. **\$2.00**

Mrs. E. P. Thom. An old favorite, with buds and double blooms of deep yellow; dark glossy foliage; blooms freely. **\$1.50**

Picture. One of the favorite pink roses, with beautifully formed buds and blooms of soft salmon pink; nearly everblooming. **\$1.50**

Peace. (Pat. No. 591.) Peace won the All-America award in 1946, and has been winning awards ever since, still one of the very finest roses. Rich yellow buds open to soft yellow roses of immense size, and petals edged with cerise pink. Roses are very double, high centered and long lasting, borne on strong stems. The handsome vigorous plants have shiny, almost holly-like foliage and bloom to late fall. **\$2.50**

President Eisenhower. (Pat No. 1217.) A bright, true red rose with beautiful buds and double blooms of rich fragrance that keeps improving as the plant grows older; blooms freely, vigorous and dependable. **\$2.25**

President Herbert Hoover. Beautiful long buds of brick red, large double fragrant roses, a blend of scarlet, pink and orange yellow, on very long, strong stems. Tall vigorous bush, blooms continuously. **\$1.50**

San Fernando — AARS-1948. (Pat. No. 785.) Perfectly formed long buds, long lasting double roses of unfading currant red, spicily fragrant. Foliage is leathery deep green, disease resistant; bushy plant of medium size. **\$1.75**

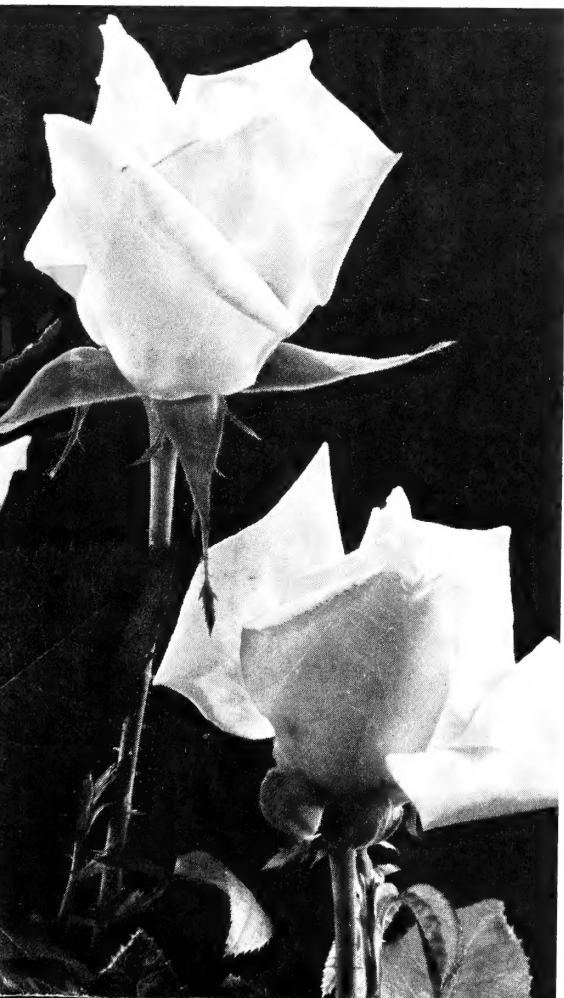

Santa Anita. (Pat. No. 539.) Long graceful buds and beautiful blooms of deep rose pink, on long, nearly thornless stems; richly fragrant; tall plant, deep green foliage. **\$1.75**

Sleigh Bells. (Pat. No. 1004.) Paul J. Howard's lovely white rose is one of America's favorites. Graceful buds on very long stems, open to fragrant big roses with 40 or more heavy petals. A tinge of pale lemon yellow adds life to the flowers, and in cool weather a pale rose flush appears on the outer petals. Tall, strong hardy bushes with leathery foliage, disease resistant, thrives in all areas, and often bloom until Christmas. **\$2.00**

Sun Valley. (Pat. No. 1135.) Big, full buds and large petalled blooms of true guinea gold are borne on tall straight stems, excellent for cutting. Holds its color better than most yellows. Shining dark green healthy foliage, on a tall plant. **\$2.50**

Sutter's Gold — AARS-1950. (Pat. No. 885.) An outstanding yellow rose with beautiful long buds shaded coppery red, opening to big fragrant blooms of deep yellow, shaded and veined coppery red. Tall vigorous plant with healthy glossy foliage, always in bloom. **\$2.25**

SLEIGH BELLS, PAUL J. HOWARD'S LOVELY WHITE ROSE

Talisman. An old favorite with lovely buds and roses of rose and gold; blooms constantly. **\$1.50**

Texas Centennial. (Pat. No. 162.) Long brick red buds and huge rosy carmine roses of rich fragrance, on very long strong stems. One of the most vigorous of all; blooms continuously. **\$1.50**

The Doctor. Immense, perfectly formed, fragrant double roses of silvery pink. **\$1.75**

Tiffany — AARS-1955. (Pat. No. 1304.) The long pointed buds are deep pink with golden yellow shading at base of petals, and open to perfectly formed double roses with petals of heavy texture rich phlox-pink in color. Flowers intensely fragrant, long-lasting, and are produced singly on long, strong stems. Plant grows 3 to 4 feet high, vigorous, with handsome deep green foliage. **\$2.50**

Tom Breneman. (Pat. No. 986.) A grand rose of great beauty and vigor. The long buds of coral rose open to big double roses resembling the famous American Beauty, of rich deep rose color and intense fragrance, and are borne on tall, strong stems. Long lasting when cut; bush blooms constantly, exceptionally fine in fall. **\$2.00**

Will Rogers. Darkest red of all, thrives best inland, richly fragrant. **\$1.75**

White Knight. See Cover Page. **\$3.00**

FINE NEW

FLORIBUNDA ROSES

Easter Parade. (Pat. No. 1200.) A top new Floribunda in the popular multicolor group. Dainty golden buds open to many petalled little roses with all colors at once — yellow, salmon, rose and light red blending and changing. The vigorous plant grows 2 to 3 ft. tall, with rich dark green foliage. **\$2.00**

Little Darling. (P.A.F.) One of the most beautiful and valuable Floribundas yet introduced — almost a perfect miniature PEACE. Buds and blossoms are produced in great clusters, open flowers are very double, high centered, with the same coloring as Peace, but intensified, brighter yellow with glowing pink and rose shading at edges of petals. Plants are tall, 3 to 5 ft. high, with rich leathery, dark green foliage, and always in bloom. **\$2.00**

Suzan Ball. Here is a Floribunda everyone will want to grow, a beautiful memorial to a wonderful personality. Medium size plants of great vigor and good habit produce long-stemmed clusters of large fragrant blooms and lovely buds, exquisite soft coral pink with salmon and gold shadings. **\$2.25**

Climbing Roses

Plant Climbing Roses for luxuriant beauty and bloom the year around, on fences, walls, porches, pergolas.

Cl. Belle of Portugal. The popular winter blooming climber, with beautiful long buds and broad-petalled roses of pale salmon pink. \$1.75

Cl. California. (Pat. No. 1136.) Paul J. Howard's wonderful golden orange rose in climbing form, just as vigorous and even more free flowering than the famous bush rose; exceptionally fine in coastal areas. \$2.00

Cl. Charlotte Armstrong. (Pat. No. 523.) One of America's top roses in climbing form, with the same vigor, the same lovely buds and roses of brilliant cerise red, as the bush rose. \$2.50

Cl. Chrysler Imperial. Now — the handsome All-America red rose in climbing form. Vigorous canes are loaded with beautiful big buds and fragrant red blooms on stems of medium length; deep green, disease-free foliage. \$2.75

Cl. Descanso Pillar. (Pat. No. 943.) Showy pillar rose with tall branches of exceptional vigor that need no support. Luxuriant deep green foliage, disease resistant. High centered double roses of great size, are clear, deep rose pink, sweetly fragrant, and very long stems, often in clusters. Blooms continuously. \$2.25

Cl. Etoile De Hollande. Just as fine and as popular as the bush rose, double rich deep red roses, one of the very best. \$1.75

Cl. Floradora. One of the showiest climbing roses, with clusters of double cup-shaped roses, cinnebar red; vigorous, fine foliage, always in bloom. \$2.00

Cl. Forty-Niner. (Pat. No. 1094.) This showy multicolor rose in climbing form; fragrant double blooms are oriental red inside, chrome yellow outside; vigorous grower with fine foliage. \$2.50

Cl. Fred Howard. (Pat. No. 1417.) A valuable addition to the list of yellow climbing roses; lovely golden yellow blooms on long stems; extremely vigorous and free flowering. \$2.50

Golden Showers -- AARS-1957. (Pat. No. 1557.) This spectacular new rose may be grown as a climber, or as a tall pillar, without support, or as a big, luxuriant bush. Plants are extremely vigorous, hardy, disease resistant, and the husky canes, almost thornless, are clothed clear to the ground with glossy deep green foliage. Long pointed buds, fragrant high-centered roses with 25 to 30 petals, are bright daffodil yellow, on long stems, produced from early spring until late fall. \$2.75

Cl. Gold Rush. One of the very best yellow climbing roses, glossy foliage. \$2.00

Cl. Heart's Desire. (Pat. No. 663.) Fragrant big deep red roses; vigorous plant. \$1.75

Cl. High Noon -- AARS-1948. (Pat. No. 704.) Bright yellow buds and semi-double roses, nearly thornless, on long stems. Exceptionally good where an easily controlled climber is desired; grows 8 to 10 feet high. \$2.50

Cl. Kaiserin Augusta Viktoria. An old favorite, big double white flowers, slightly tinged lemon yellow at center; deep green foliage. \$1.75

CLIMBING ROSES FOR SPECTACULAR EFFECT ON FENCES, WALLS, PERGOLAS — AND QUANTITIES OF CUT FLOWERS.

Paul's Scarlet Climber. Big showy clusters of semi-double roses, vivid, unfading scarlet. \$1.50

Cl. Peace. (Pat. No. 932.) The huge yellow roses, edged cerise, are produced even more freely on the climber than on bush. \$2.50

Cl. President Herbert Hoover. Brilliant long stemmed roses of rose, gold and red; vigorous, always in bloom. \$1.75

Cl. Queen Elizabeth. (P.A.F.) Climbing form of the popular All-America Grandiflora rose. Exquisite rose pink buds and blooms singly and in clusters, on nearly thornless stems, make this one of the best of all pink climbing roses. \$2.75

Cl. San Fernando. (Pat No. 1123) Long lasting fragrant double buds and blooms of bright currant red; healthy, bushy climber with leathery deep green foliage. \$2.00

Cl. Santa Anita. (Pat. No. 834.) Beautifully formed buds and blooms, deep rose pink; nearly thornless, fine foliage. \$1.75

Cl. Sutter's Gold. (Pat. No. 1185.) This grand deep yellow rose, with veining and shading of coppery red, is a valuable addition to a list of yellow climbing roses. Vigorous, free flowering, with beautiful glossy foliage. \$2.50

Cl. Talisman. Still one of the best, with fragrant rose and gold buds and blooms. \$1.75

Cl. Texas Centennial. (Pat. No. 565.) Long stemmed brick red buds and roses, carmine to deep pink, of immense size and intense fragrance. Will cover large areas. \$2.50

Cl. Ville De Paris. Long popular as one of the best yellow roses. \$1.75
